

APPLICATION FORM
Dave Lepard Memorial Fund

The point of our memorial fund is that we will be able to give an economical contribution to up-and-coming musicians in different musical styles. The funding can for example be used for demo recordings, rent for rehearsal studios and new equipment.

The amount needed should be indicated on the form. The maximum amount allowed is 5.000 SEK. We need a detailed description of how the funds are to be used, and how it would help your band. We need proof of your financial status and receipt for how the money was spent. The band/artist has to come from the Nordic countries (Sweden, Finland, Norway, Denmark & Iceland).

Good luck!
